

BLYTHEWOOD BUSINESS COALITION NEWS
AUGUST 9, 2007

MEETING DATE:

The August Meeting for BBC is scheduled for 7:30 A.M. on Tuesday, August 14, 2007 at the Southern Pig. Thank you for your continued support of the BBC Virginia Bright.

CELEBRATE THE MAGIC

The BBC is blessed with a diverse membership, having different interests and talents. Today, I recognize the fine work of the 2007 Nomination Committee, Laura Kiser, Neysa Rimer, and Eddie Wingard, who nominated the following persons for 2007/2008 Officers:

PRESIDENT - Laura Kiser
VICE-PRESIDENT - Brian Lee
TREASURER - Eddie Wingard
SECRETARY - Neysa Rimer
AT-LARGE MEMBER - Bill Plunkett

The following members have volunteered to serve as Committee Chairpersons for 2007/2008:

Parade Committee - Richard Clark
Membership Committee - Jay Keefer
Scholarship Committee - Robert L. McMaster

Thank you all for stepping up, delivering soul and substance for our businesses and the Blythewood Community.

THE HAND OF FATE

The Hand of Fate was not very kind to J.B. & M. L. Bishop while driving in Columbia in Mid-July. A driver failed to heed a stop light and collided with the Bishops. While M.L.'s car did not fare well, she and J.B. received no critical injuries. M.L. and JB plan to see us at the August meeting.

YOU ARE INVITED

Fairfield Electric Cooperative Inc. extends an invitation to Officers, Committee Chairs, and the general membership of the BBC to meet Congressman Joe Wilson at Fairfield Electric Cooperative's new office in Blythewood on August 27, 2007. Fairfield Cooperative is hosting the Blythewood portion of the Joe Wilson U.S. House District 4 Campaign Bus Tour with a stop planned for 4:45 p.m. to 5:30 p.m. A reception-type meeting, with light refreshments, in the new building is planned. So mark your calendar for some meetin, greetin, and eaten with the man who represents you in Washington.

SUPPORT THE BBC BECAUSE

BBC allows us the opportunity to share with each other the things that are working, what is on the horizon, and how to bump it up a notch. In this ever-changing world, status quo is simply not an option.
